More Info

The Hypermedia Systems VoIP PRI Gateway - HG-1600VE scalable series supports up to 72 simultaneous VoIP ports. These VoIP PRI Gateways have the capability to support 2 x E1-PRI, 3 x T1-PRI and Analog (FXO/FXS) interfaces, and provide superior voice technology for connecting PBX systems with the cost-effective IP networks. By integrating the VOIP PRI Gateway? HG-1600VE with existing equipment / networks, businesses (SMB, Call Centers, Large Enterprises) can capitalize on low cost VoIP telephone calls, and Alternative Carriers can reduce the call termination rates and increase net profits. The HG-1600VE Series enables inbound and outbound traffic for VoIP, PSTN, and optional support of GSM and CDMA calls - all in one compact box. Given the systems' flexibility, modularity and scalability, the gateways can be pre configured to meet precise customer requirements. Companies can easily expand the cost-effective systems to meet their evolving telephony needs over time.

Some main features of the VoIP PRI Gateway HG-1600VE are:

From 8 to 72 VoIP ports

E1-PRI, T1-PRI and Analogs interfaces are supported

Up to 2xE1-PRI, or 3xT1 Interfaces

Inbound and Outbound calls

Advanced LCR & Routing Groups

IP address & DDI pattern restrictions

Optional - GSM, CDMA and UMTS calls

High quality of voice

WEB management and control

Redundant power supply - Ready

Fast and easy installation

About Us

VoIPRoute Products is your one stop shop for all your Telecom and Data/Networking Hardware needs and genuine HyperMedia replacement parts. We have loyally served our customers since 2003. Our product expertise, quality customer service, competitive pricing -- on items like this HyperMedia HG-1600VE -- are a few of the reasons why more telecom professionals buy from VoIPRoute Products every day.

Payment and Processing

We accept Visa, Mastercard, American Express and Paypal payments for this HyperMedia HG-1600VE. We can also accept Purchase Orders for Net Terms upon approval. VoIPRoute Products does have a Government Cage Code so if this is for a Government purchase please tells us! You may also **call us at 1-888-826-1905** or **email us at sales@VoIPRouteProducts.com** for our credit card form. Please call us today to purchase this HyperMedia HG-1600VE item while inventory and sale last.

Same Day Shipping, Order Confirmation and Order Tracking

Once your order is placed for the HyperMedia HG-1600VE, you may select from several shipping methods, including UPS, Federal Express, DHL, USPS, 3 day, 2 day, overnight and international methods. Orders received and approved before 3PM EST will generally ship the same business day. You will receive an order confirmation email for your HyperMedia HG-1600VE along with the tracking number as soon as it is available. The tracking number will allow you to track your shipment in real time. We pack the HyperMedia HG-1600VE in anti-static bubble wrap to ensure safe delivery. We will combine multiple items in one shipment whenever possible to save on shipping time and costs. Because we have several distribution points and vendor locations, sometimes orders will be divided into multiple shipments, but never at extra cost to you.

Warranty

Every item you purchase from us includes a warranty and our hassle-free return policy. We stand by our product and your satisfaction is our goal. If you ever have questions or concerns about your HyperMedia HG-1600VE order, simply **contact our Customer Service Department at 1-888-826-1905, Monday - Friday, 9 AM - 5 PM EST.** Friendly customer service reps are available to assist you with your order.
